PROFESSIONAL SUMMARY

Data Science postgraduate with hands-on experience in AI engineering, machine learning, Python, and data analysis. Experienced in developing and improving AI model-training workflows and edge AI applications. Seeking to apply analytical, programming, and problem-solving skills to build reliable AI solutions.

WORK EXPERIENCE

AI Engineer | Petals Automations | January 2026 – Present

- Develop and improve AI/ML workflows for model training, evaluation, and deployment in edge AI applications.
- Work with Python and machine-learning tools to troubleshoot training pipelines and improve model reliability.
- Contribute to PetalEdge platform features for computer vision and motion/sensor-based recognition.

Artificial Intelligence Engineer Intern | ISRO | December 2023 – March 2024

- Assisted in developing AI models for automation and data-processing tasks.
- Worked with image processing and deep-learning techniques for detection and classification.
- Analyzed datasets and performed preprocessing to improve model accuracy.

TECHNICAL SKILLS

- Programming: Python, SQL
- Machine Learning: Regression, Classification, Deep Learning, CNNs
- Data Analysis: Exploratory Data Analysis, Feature Engineering, Model Evaluation
- Visualization: Power BI, Tableau, Matplotlib, Seaborn
- Databases and Tools: MySQL, Excel, Jupyter Notebook

EDUCATION

M.Sc. Data Science – The American College, Madurai | 2022–2024 | CGPA: 7.9
B.Sc. Computer Science – The American College, Madurai | 2019–2022 | CGPA: 7.1

ACADEMIC PROJECTS

- Mobile Price Prediction: Prepared and analyzed data, scaled features, and trained a regression model; evaluated results on training and test data.
- Automated Defect Detection: Applied deep-learning techniques for detection, segmentation, and classification in aerospace welding quality control.

WORKSHOPS & CERTIFICATIONS

- Hands-on Training in Artificial Intelligence using Tableau; Workshop on Django.
- Crash Course on Python – Google (Coursera), 2024; Databases and SQL for Data Science – IBM (Coursera), 2024; Data Analytics – Accord Info Matrix, 2025.

ADDITIONAL INFORMATION

Languages: English, Tamil | Date of Birth: 07 August 2001
